YOUTH FUNDRAISERS

This summer a group of high school youth from NDPC and their advisors will be traveling to Guatemala to serve local communities. Your support, both financially and prayerfully is an important part of their preparations. There are several fundraising opportunities that you are invited to participate in.

- **Parent's Night Out:** This Friday, January 20th, the youth are giving parents a night off! You are free to take a night in or make plans to go out. You may bring your children to the Fellowship Hall anytime between 6:00 and 9:00pm. Please RSVP to Amanda Osenga (amanda@ndpc.org) so that we can be prepared for you. Donations will be accepted.
- On April 29th, following worship, the youth will be upholding the tradition of hosting a Silent and Live Auction and Luncheon to raise money for their international mission trip to Guatemala. Please be thinking about what items or services you can donate to the auction. We welcome and need your support in bidding for items and attending the auction. If you have never attended an NDPC Auction, be prepared for a wonderful meal, a great time, and an opportunity to buy some terrific items for a good cause!

Nursery Position

We are grateful for the care and commitment that Anita Kaylor has given to our nursery children this past year. Due to personal reasons, Anita has had to resign. We are in search of someone to work in our nursery on Sunday mornings. If you know of anyone who would fit this role, please get in touch with Marty Tomlinson at martyhvt@att.net.
